

The Village of Elk Rapids in conjunction with the Downtown Development Authority is seeking public input on options for much needed safety and functional improvements to the Ames Street District, from East of US-31 to the easterly Village Limits.

Schematic alternatives have been developed based on the initial public survey conducted in spring of 2020. Please review the streetscape drawings and complete your feedback survey before Friday, October 2. The schematic drawings and response survey can be viewed and completed as follows:

Hard copy – available at:

Village Government Center | 315 Bridge St, Elk Rapids, MI 49629

Manually completed survey forms should be dropped off or mailed to the Village Government Center. All public input surveys must be submitted by Friday, October 2.

Open House: For those not able to access the surveys, or for those seeking additional information, an Open House will be held at the Government Center from 5 pm to 7 pm on Wednesday, September 30. Representatives of C2AE, the engineering firm, will be available to answer questions. All COVID 19 requirements will be strictly enforced.
